Provider Travel Costs			
<p>MBC Nursing may claim travel cost for workers travelling to and from home-based appointments to deliver Core (Category 1 & 4) supports. This includes the cost of staff members time and any additional costs such as mileage, parking fees and tolls. The non-labour costs will be claimed against the relevant support item in accordance with NDIS acceptable price limits and conditions outlined in the price guide.</p> <p>MBC Nursing may claim for activity-based travel costs associated with transporting participants to and from appointments or community-based activities. This includes the cost of staff members time, costs such as mileage, parking fees and tolls. The non-labour costs will be claimed against the relevant activity-based transport support item in accordance with NDIS acceptable price limits and conditions outlined in the price guide.</p> <p>MBC Nursing will charge for Provider Travel time only when:</p> <ul style="list-style-type: none"> • MBC Nursing has the agreement of the Customer in advance i.e., the Service Agreement outlines all maximum Provider Travel cost that may be charged. • The Support Catalogue indicates that MBC Nursing can claim for Provider Travel in respect to that support item. • MBC Nursing is required to pay the worker delivering the support for the time they spent travelling because of the agreement under which the worker is employed. <p>MBC Nursing will not charge travel costs:</p> <ul style="list-style-type: none"> • For travel for the time that a Support Worker spends travelling from home to the workplace (to a first Customer appointment each day); or 			

- For travel from the workplace to home (the last customer appointment of the day).

Where a provider claims for travel time (labour costs) in respect of a support, then the maximum amount of travel time that they can claim for the time spent travelling to each participant (for each eligible worker) is 30 minutes in MMM1-3 areas and 60 minutes in MMM4-5 areas (Note: the relevant MMM classification, is the classification of the area where the participant is when the support is delivered).
